

**Colorado: Aspens in the Rockies
September 26 - October 4, 2019**

I'm happy to announce a workshop in the beautiful Rocky Mountains of Colorado timed for the peak of aspen foliage. We would arrive on Thursday, September 26 and depart on Friday, October 4, 2019.

We'll fly in and out of Montrose, CO spending the first night there, then three nights in Crested Butte where there are tremendous aspen groves along the Kebler Pass. We'll conclude with 4 nights in Ouray enjoying many scenic vistas in the Mt. Sneffels range of the San Juan mountains. Mt. Sneffels is a dramatic "fourteener" (14,150 feet in elevation).

The workshop is designed for a group of 5-8 people. It is assumed that everyone will have a working knowledge of their camera and the ability to use Lightroom to organize and share their pictures. We'll try to take some time to review our images for composition and look at the possibilities to edit some to best advantage, but the emphasis will be on shooting and exploring the beautiful aspen groves.

The workshop fee is \$3590. This includes all hotels, taxes and photography activities. A list of hotels will be provided with registration. One of the hotels has slightly different room choices, which could add \$100-180 in total to the fee depending on the choice made. Additional charges, not included in the workshop fee, would be for transportation (airfare and shared car rental), meals, and other items of a personal nature.

Flights would be through Denver. We'll rent and share SUV's. Vehicle sharing will be coordinated.

To reserve a place in the workshop, a deposit of \$1800 is required with the balance due on April 1, 2019. Please send an email to me (info@eliotcohen.com) to confirm availability and then your check for the workshop fee to:
